Newton-Conover High School
Newton, North Carolina

The summer warmth begins to fade
And is replaced by turning leaves and dying grass.
A new season is beginning,
And a new chapter is unfolding in the lives of everyone.
All things are changing,
And we must adjust our lives to keep up with the improvements.
We are like autumn,
For the dead leaves, as our past, are soon forgotten
As we look forward to a new day.

Times change
Our world will never be the same as it is
this very minute.

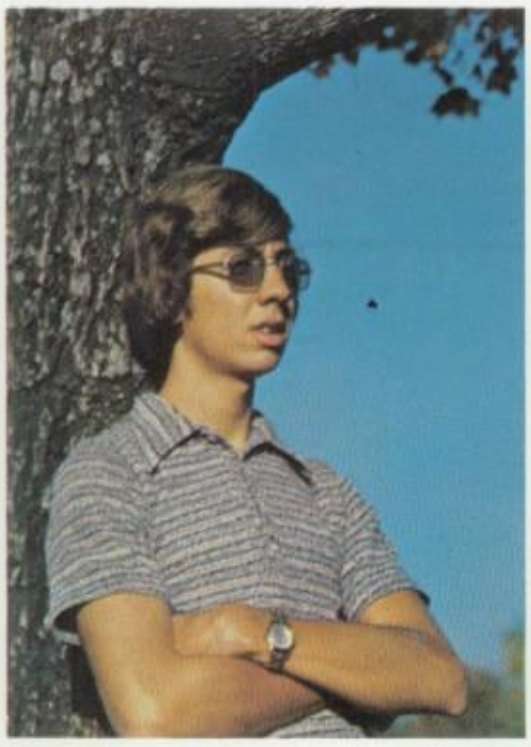
DEDICATION

Perhaps the most difficult task facing the Annual Staff is the selection of a person worthy of the dedication. We feel that the man chosen has sacrificed his personal interests in return for a job carrying the burdens of long hours, hard work, and numerous heartaches. In time of crisis, this man was instrumental in holding our school together, and because of his sincere empathy, he was able to carry out his duties effectively. A concerned participator, a respected leader, and an understanding individual, this man has proven himself invaluable in the administration of our school. For these reasons, the 1974 Cardinal is dedicated to Mr. Everette Simmons.



Different moods and expressions,
New faces and personalities,
Our school is made up of so many individuals.

GOVERNOR'S SCHOOL

Governor's School is an honor program held every summer for seven weeks at Salem College in Winston-Salem. Approximately four hundred high school sophomores and juniors from across this state attend. It concentrates on presenting 20th century ideas to the students. Laurie Hall studied 20th century literature and poetry as the central course and was exposed to philosophy and psychology as well. The school had various speakers including Governor Holshouser and Lt. Governor Hunt. There were weekly concerts by the Governor's School Chorus and Orchestra to supplement the many recreational activities provided.

MOREHEAD SCHOLARS

This year Chris Reinhardt, Paul Poropatic, Jay Welch, and Steve Moretz were selected by the principal and guidance counselor to compete for the John Moteley Morehead Scholarship. After being selected, each nominee was interviewed by a county board who in turn selected a number of nominees to continue competition in the district interview. These selections were based on scholastic ability, character, and physical vigor.

Steve Moretz, Paul Poropatic, Chris Reinhardt, Jay Welch

BOYS' STATE

Jeff Carter, Chris Reinhardt, Danny Bolick, Jay Welch

Jeff Carter, Chris Reinhardt, Danny Bolick, and Jay Welch attended Boys' State at Wake Forest University for one week. They explored state and local government through simulated elections, with each participant belonging to a political party. Benefitting greatly from this experience, they considered it a worthwhile and eventful week.

GIRLS' STATE

Janis Matson, Kathy Goble

Kathy Goble and Janis Matson represented Newton-Conover at Girls' State last summer. A state government was set up with two political parties and individual counties, cities, and districts. Students worked hard to learn the finer points of parliamentary procedure, and party rallies were held with all the enthusiasm of a championship football game. The three-hundred participants were able to learn a great deal from each other and many lifetime friendships resulted from the Girls' State experience.

FOREIGN EXCHANGE

Kathy Haight and Piera Giavarini discuss their AFS experiences.

Coming to us from Carugate, Italy, Piera Giavarini soon became an active member of our student body. Belonging to the AFS and Leo clubs, she was friendly and interested in every aspect of American life. Although she found many differences between America and Italy, Piera also noticed some remarkable similarities. American people, she said, are not very different from Italians, yet, she thought the American standard of living was higher than Italy's. It was a pleasure having Piera in our school, and Newton-Conover certainly found her to be a unique and affable person.

Last summer, as a member of the AFS Americans Abroad Program, Kathy Haight lived with a family in Istanbul, Turkey. Located at the crossroads of Europe and Asia, Istanbul is a fascinating city full of beautiful mosques, palaces, markets, and museums. While she was there, Kathy had the opportunity to visit many historical places and to talk to a variety of interesting people. Her Turkish father, Mehmet Tuncer, was an attorney, and her mother was a typical Turkish housewife. Although neither of Kathy's parents spoke any English, her two sisters spoke it fluently, so she had little trouble communicating. Kathy is shown here with her family at a dinner celebrating her parents' twenty-third wedding anniversary.

1st ROW – Butchy Baker, Ronnie Sigmon, Mike Patton, Tommy Davis, Jimmy Newsome, Chris Moose, Robert Long, Coach John Taylor, Grover Coulter, Philip Flowers, Tony Parker, Sammy Eller, Glenn Chriscoe, Eddie Carmichael, Ryan Rockett. 2nd ROW – David Abernathy, Tom Rawls, John Dilley, Barron Lorritts, Carl Mecimore, Tom Stedman, Chris Reinhardt, Joe McCaslin, Terry Lewis, Paul Poropatic, Kris Kearns, Dale Jarrett, Johnny Cansler, Jeff Carter, Glen Jones, Alan Kearns, Bill Lutz.

Being one of the smallest teams in the conference and plagued with injuries, the Red Devil football team was faced with a definite handicap. Despite this, they finished with a 5-4-1 record, losing all but the Lenoir game on one spectacular touchdown play by the opposing players. Their ability to come back proved that the bad luck they had could have gone either way in this 1973 season.

Head Coach, Mr. John Taylor

MY DAD

Run,

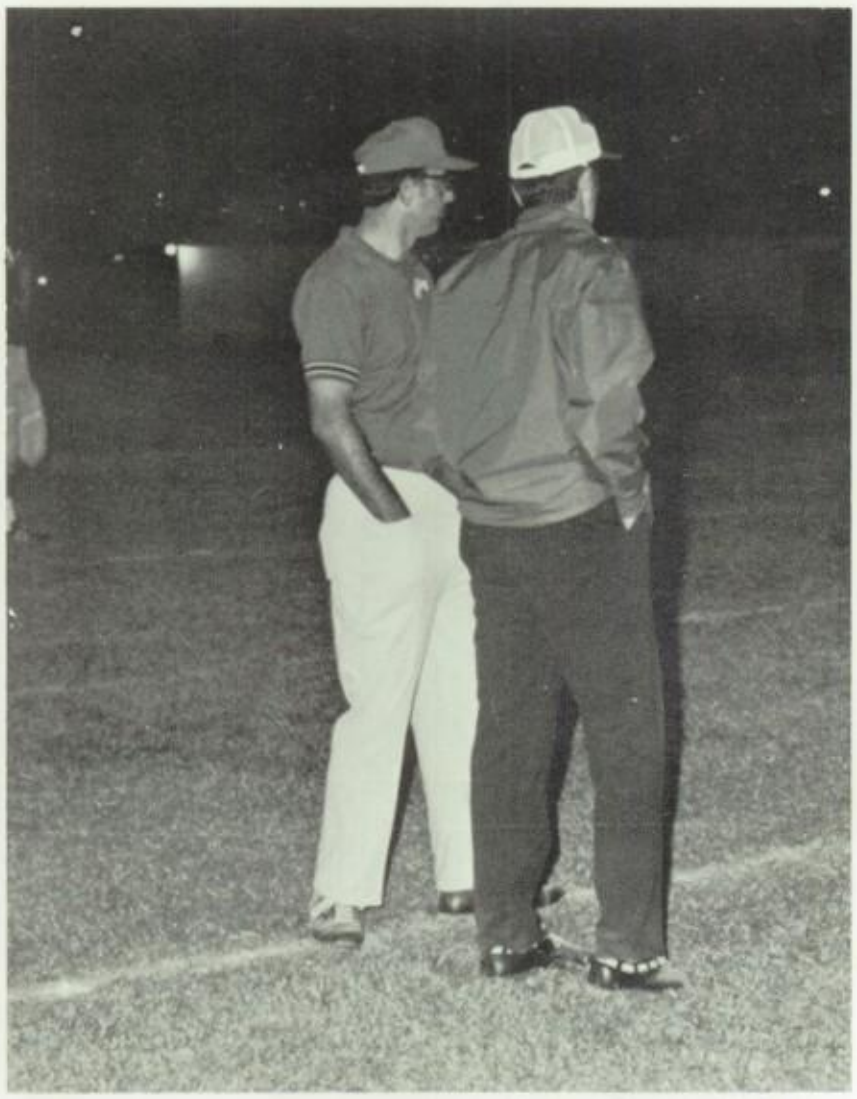
I've got to say that I'm going to miss this place. I guess the thing I'll miss the most is playing football and coming out for a rest and having to Listen to you blowing on your horn, ONE day you'll have to come over and blow on my horn. Ron we've had alot of Fun while in High School and I hope we have alot more. I'll being see you alot this summer I just have a feeling and we'll have to get drunk! Hollywood "T"

CHEERLEADERS

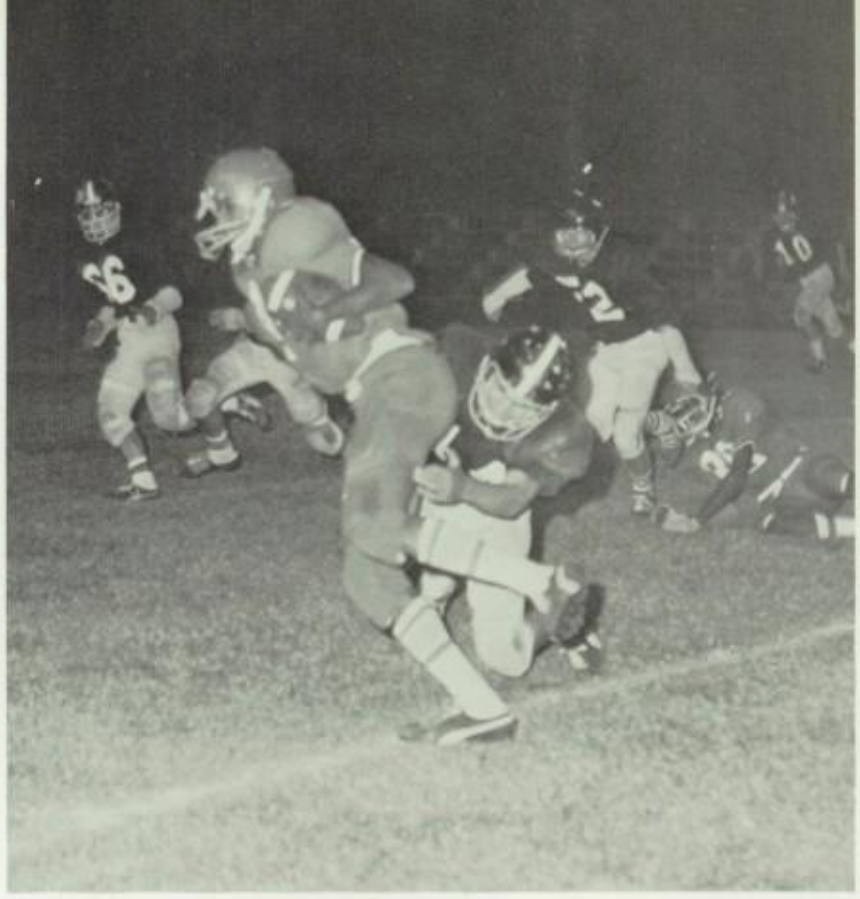
1st ROW – Pam Robinson, Janice Gabriel, Jennifer Kincaid, Terry Cooke. 2nd ROW – Mary Jane Stearns, Karen Smith, Dana Paxton, Mary Kuhn, Tina Johnson.

1st ROW – Cindy Killian, Debbie Bollinger. 2nd ROW – Gail Fleming, Cynthia Lineberger, Karen Setzer, Linda Mangrum, Sherry Campbell, Mary Beck Russell.

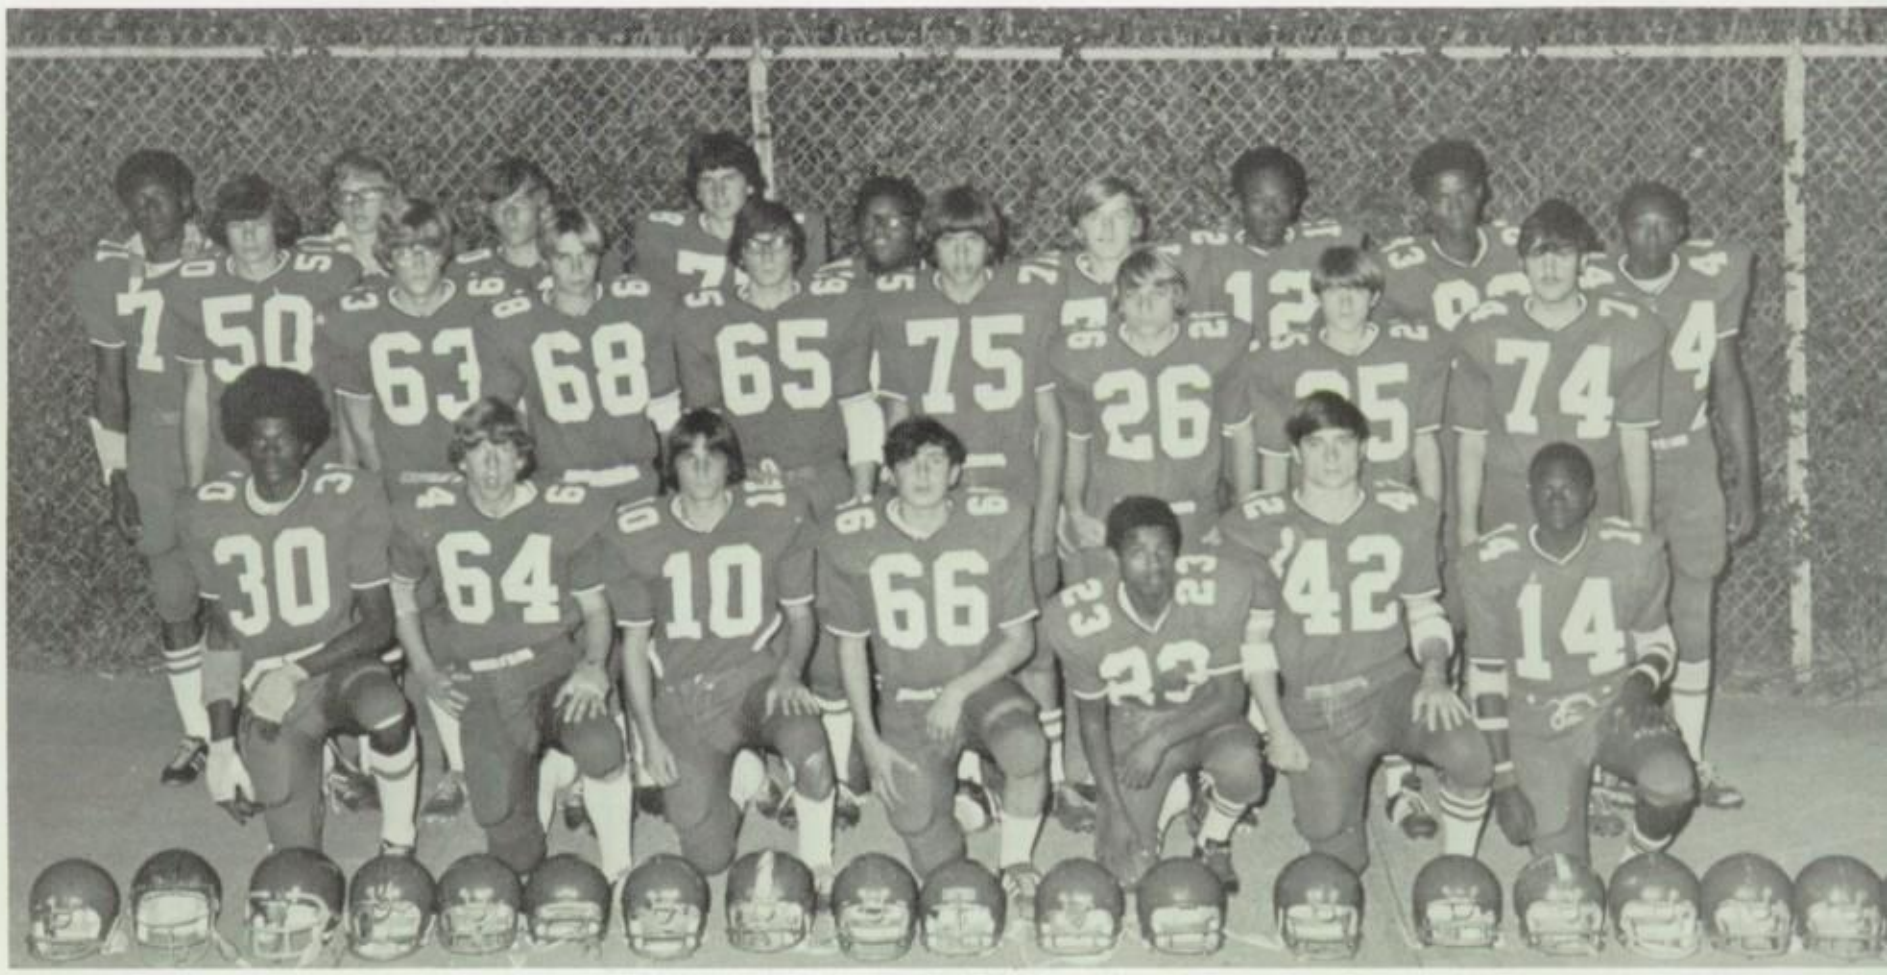
J.V. FOOTBALL



Gary Jarrett — Head Coach, Andy Kanipe — Assistant Coach



The J.V.'s had an exciting football team and their 5-3 record didn't always show their strong line and defense. Though they couldn't always put together a winning combination, they had some spectacular individual performances.



1st ROW — Sherman Powell, Dale Jonas, Barry Wilson, Stanley Sturgess, Joe Powell, Mark Canrobert, Marshal Coulter. 2nd ROW — Scott Gregory, Richard Lewis, Barry McCarty, Frankie Hilton, Charles Klutz, Mark Ledford, Gary Blekley, Steve Poropatic. 3rd ROW — Michael Moss, Donnie Newsome, Kevin Binkley, Greg Kearns, Eugene Reinhardt, Gary Huffman, Charles Pyant, Terry Farley, David McCorkle.

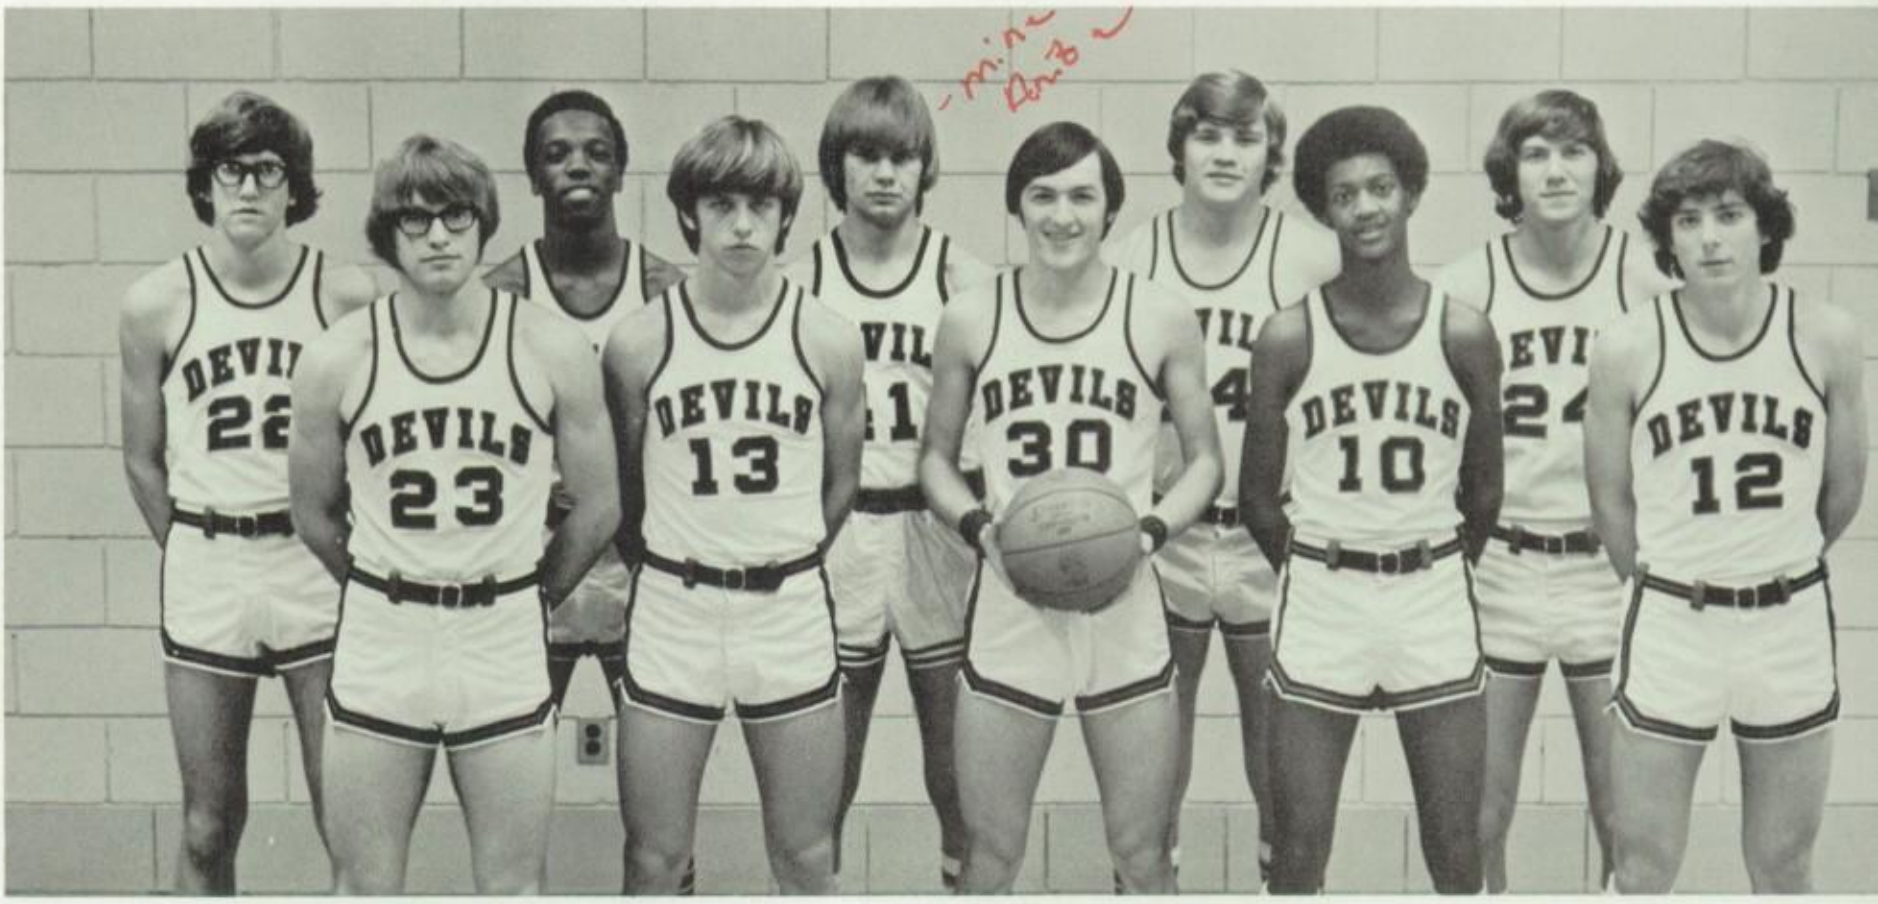
J.V. BASKETBALL

1st ROW – Richard Lewis, Barry Wilson, Robert Pannell, Robert Zurline, Jeff Link, Charles Klutz. 2nd ROW – Kevin Binkley, Eric Heller, Charles Pyant, John Dilley, Donnie Newsome, Sherman Powell, Terry Farley.

Undersized, but quick indicates the Junior Devils situation in the '73-'74 season. Their gutty desire and second effort brought them through many exciting games and numerous overtimes. This determination left them with a winning record and a high standing in the conference.

Mr. Andy Kanipe – Coach

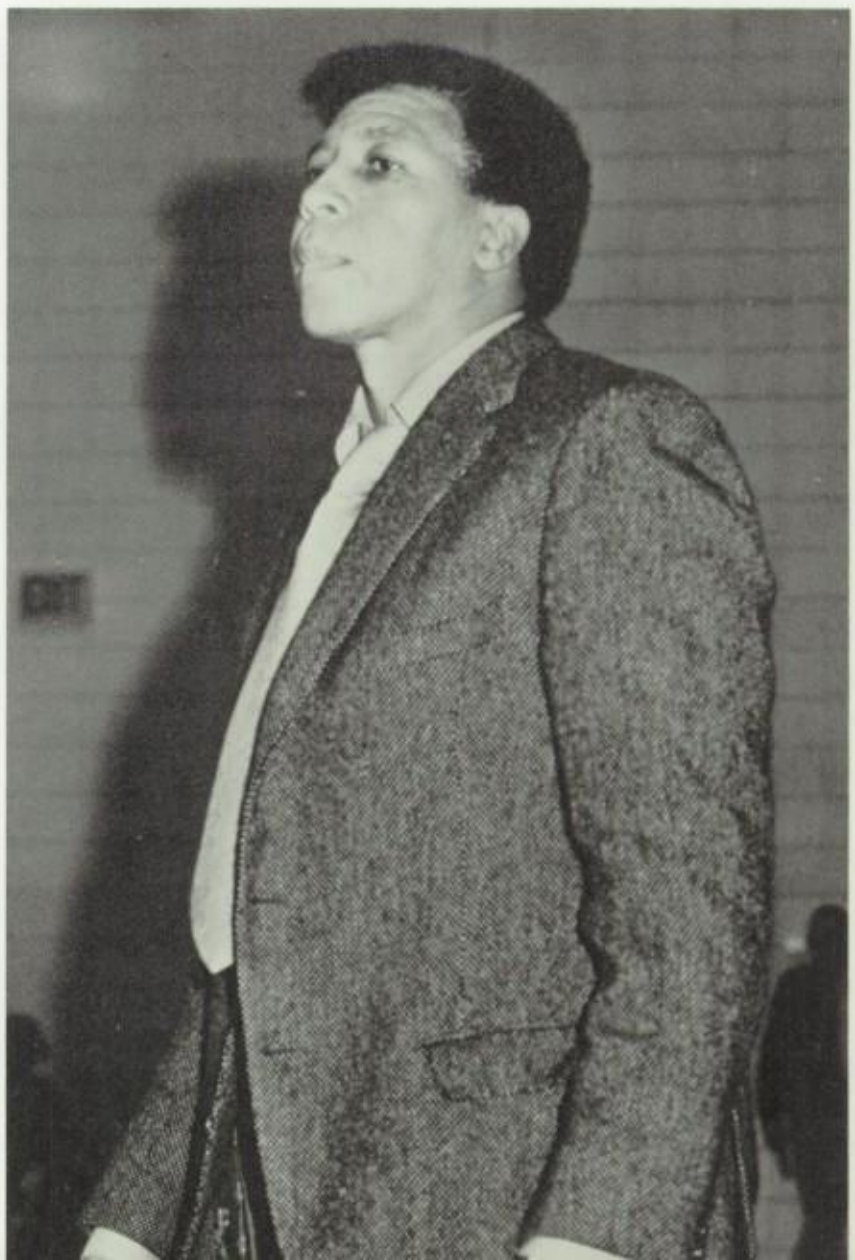
BOYS' VARSITY BASKETBALL



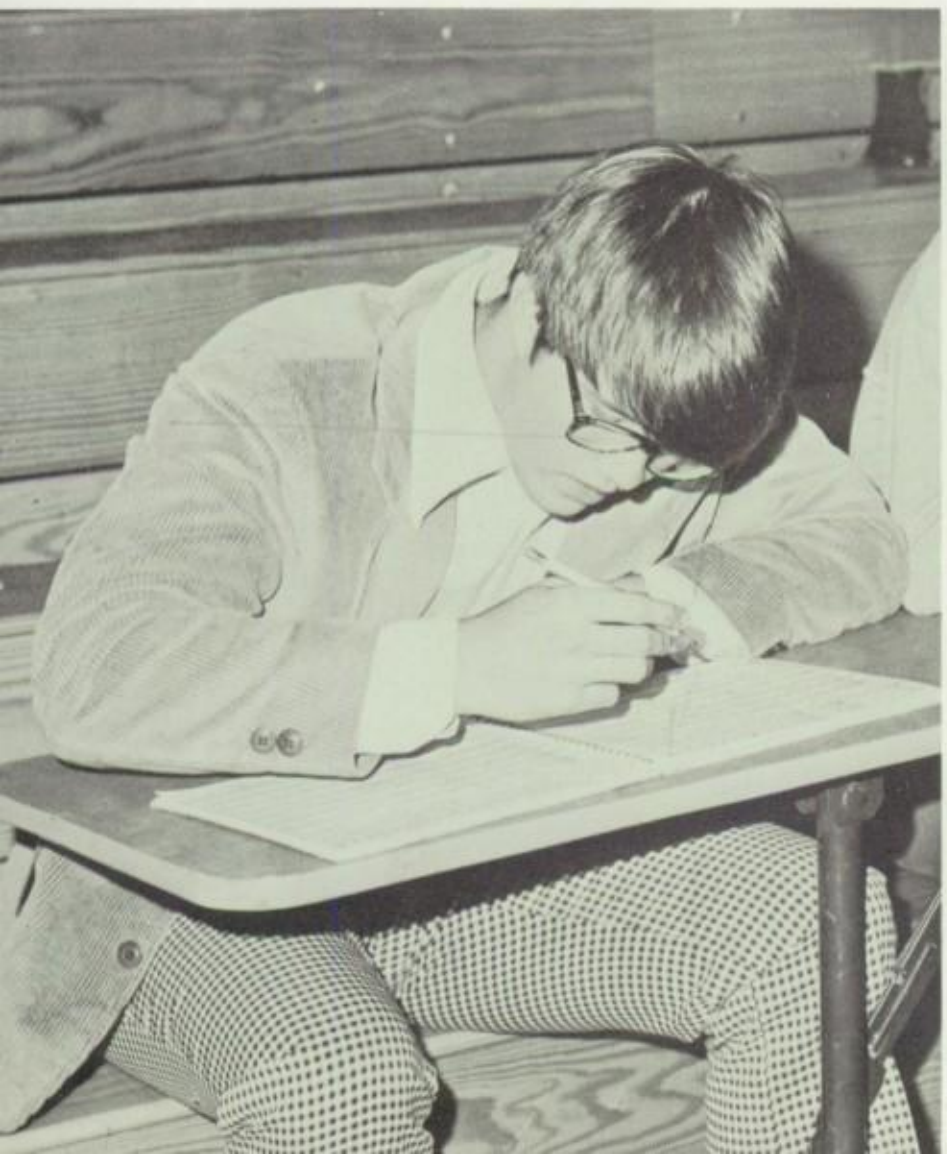
1st ROW — Gary Kanipe, Jimmy Newsome, Tim Seitz, Terry Ramseur, Andy Gaither. 2nd ROW — Wayne Moore, Roger England, Roland Hicks, Jeff Carter, Dale Jarrett.

Another year of exciting basketball was played by the Red Devils, but this year they managed to put together a winning combination. Being the surprise team of the Northwestern Conference this year, the Red Devil team pulled many upsets with their tenacious press and lightning fast breaks. The Devils definitely made their presence known in the conference as well as having a crack at the number one spot.

Mr. Bobby Rowe — Coach

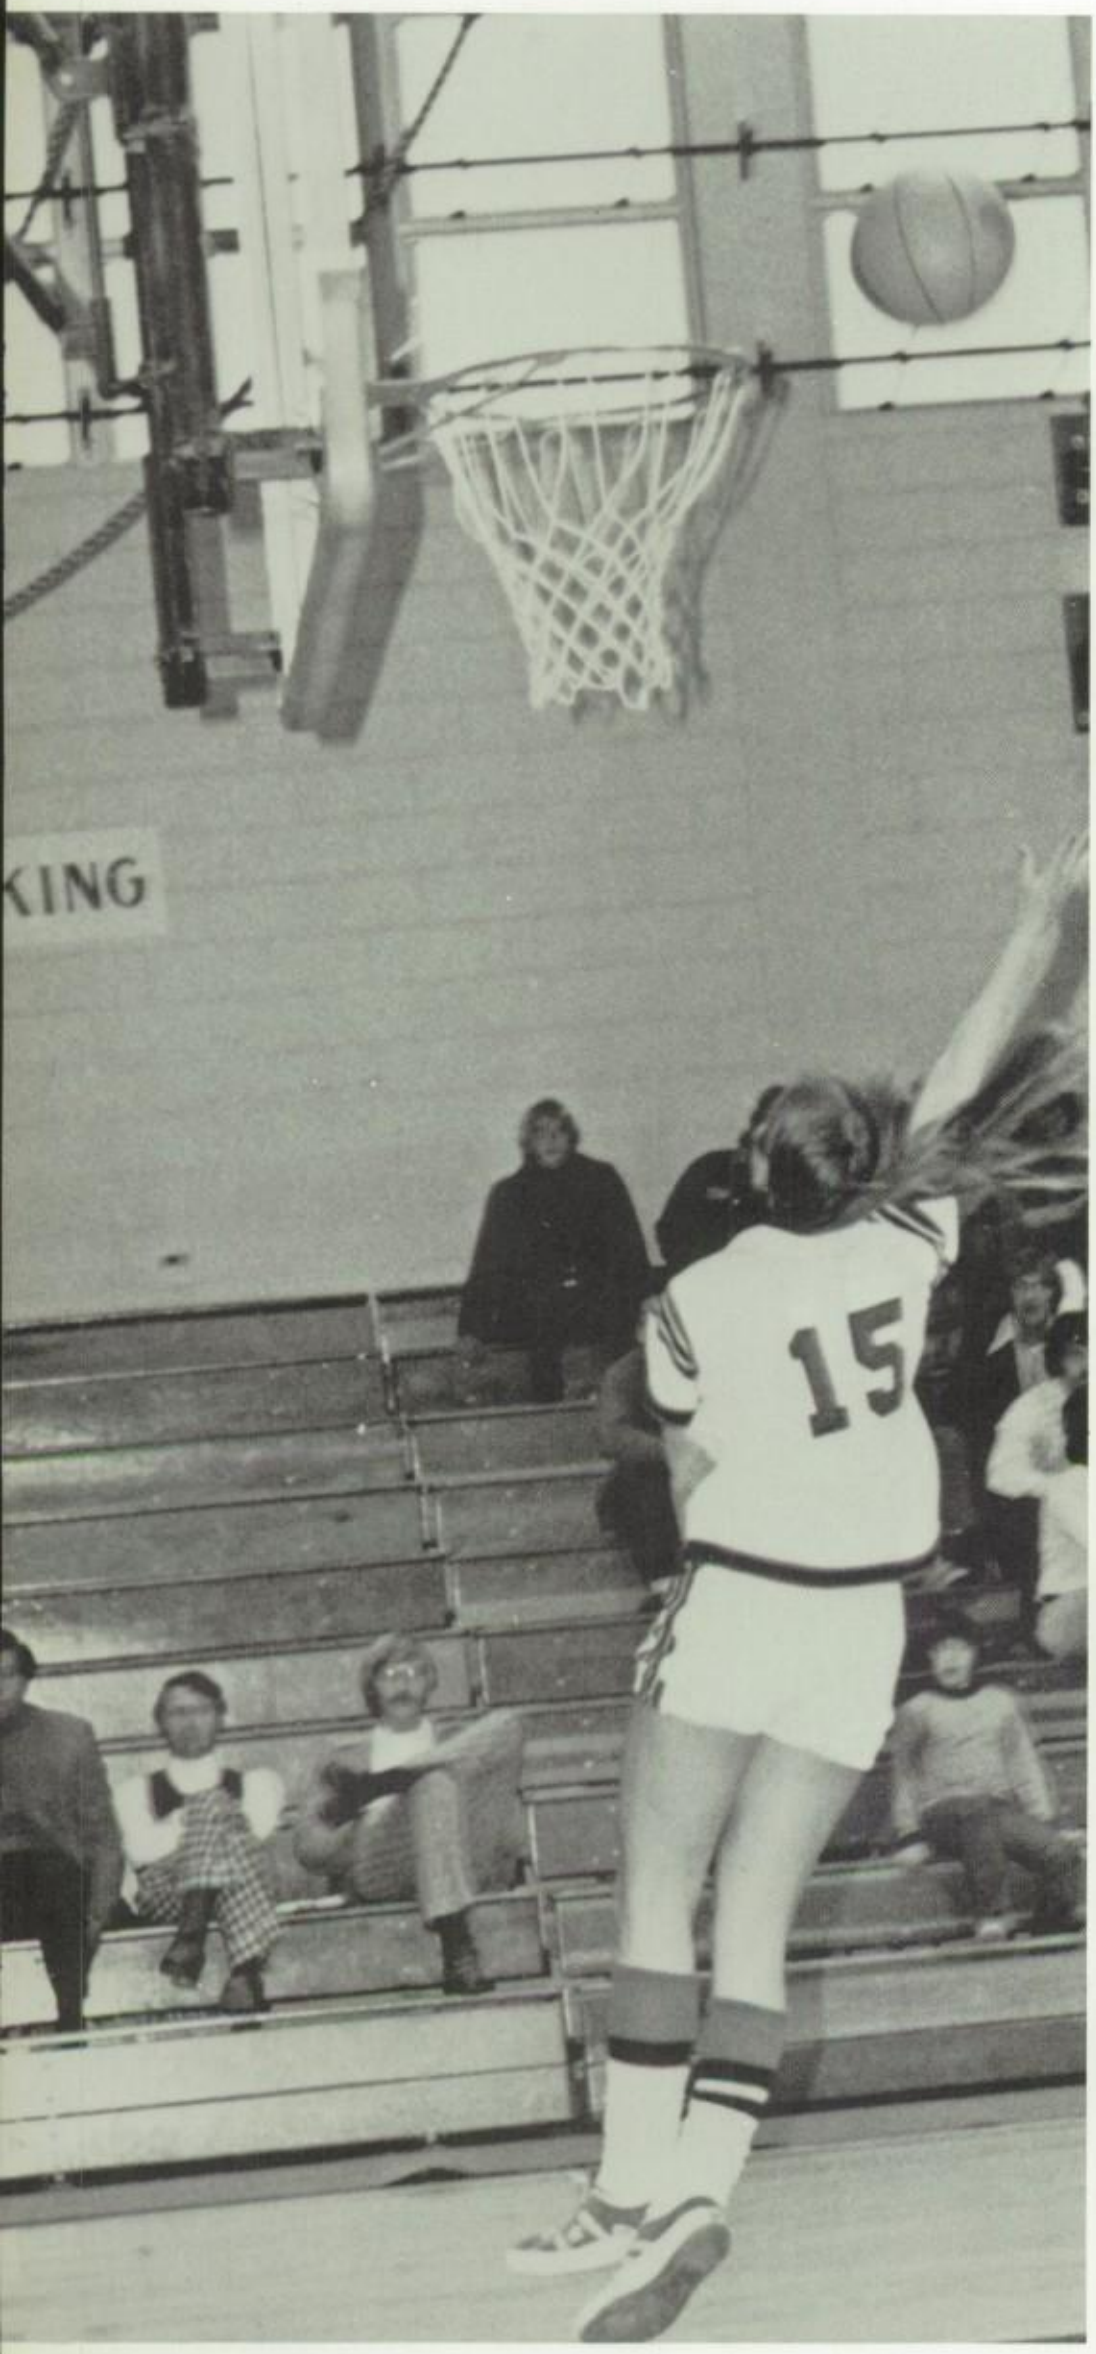


Bill Gaither — Manager



Arthur Moss — Manager

GIRLS'

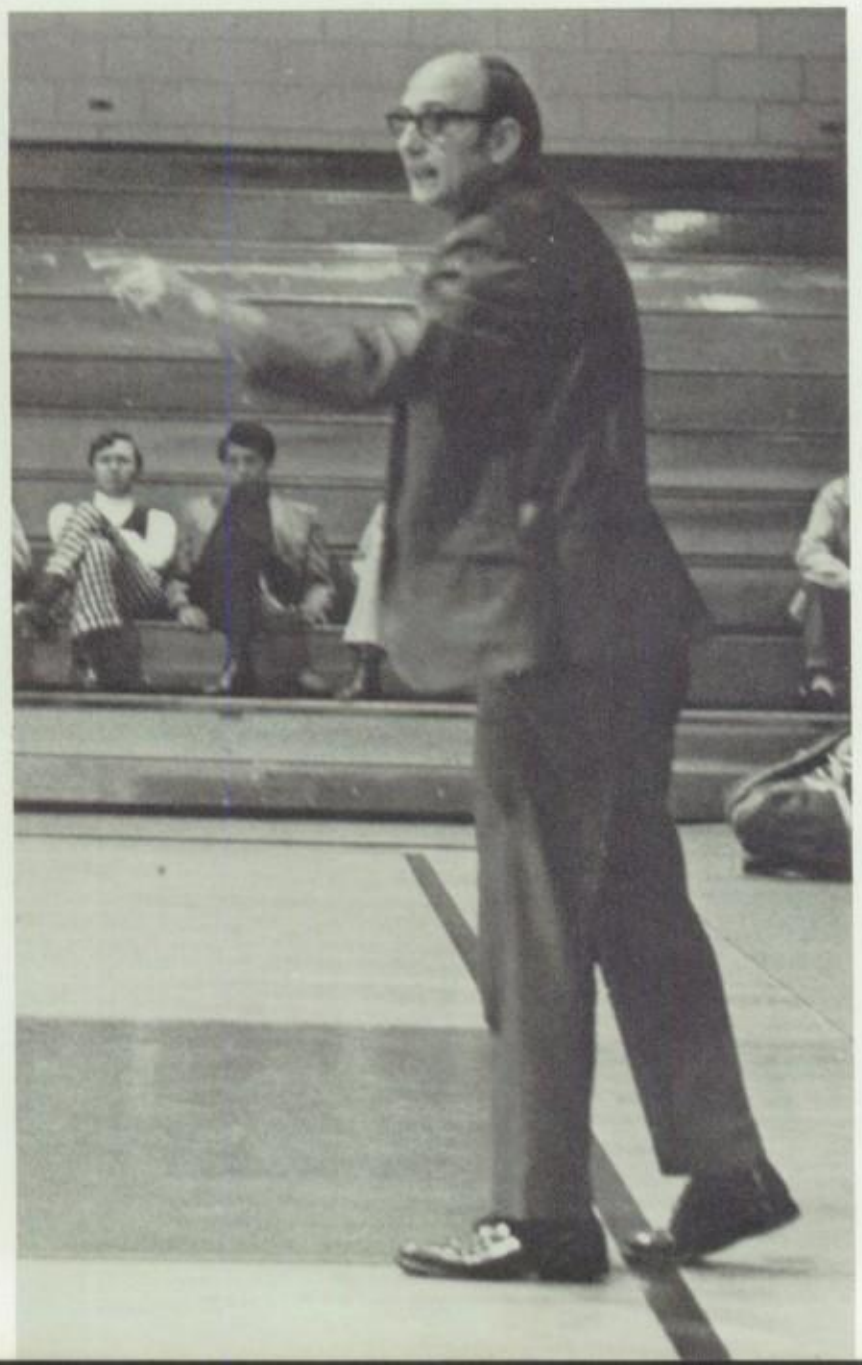


Mala Sherrill – Scorer

Duane Murray and Tim Whitworth – Managers

VARSITY BASKETBALL

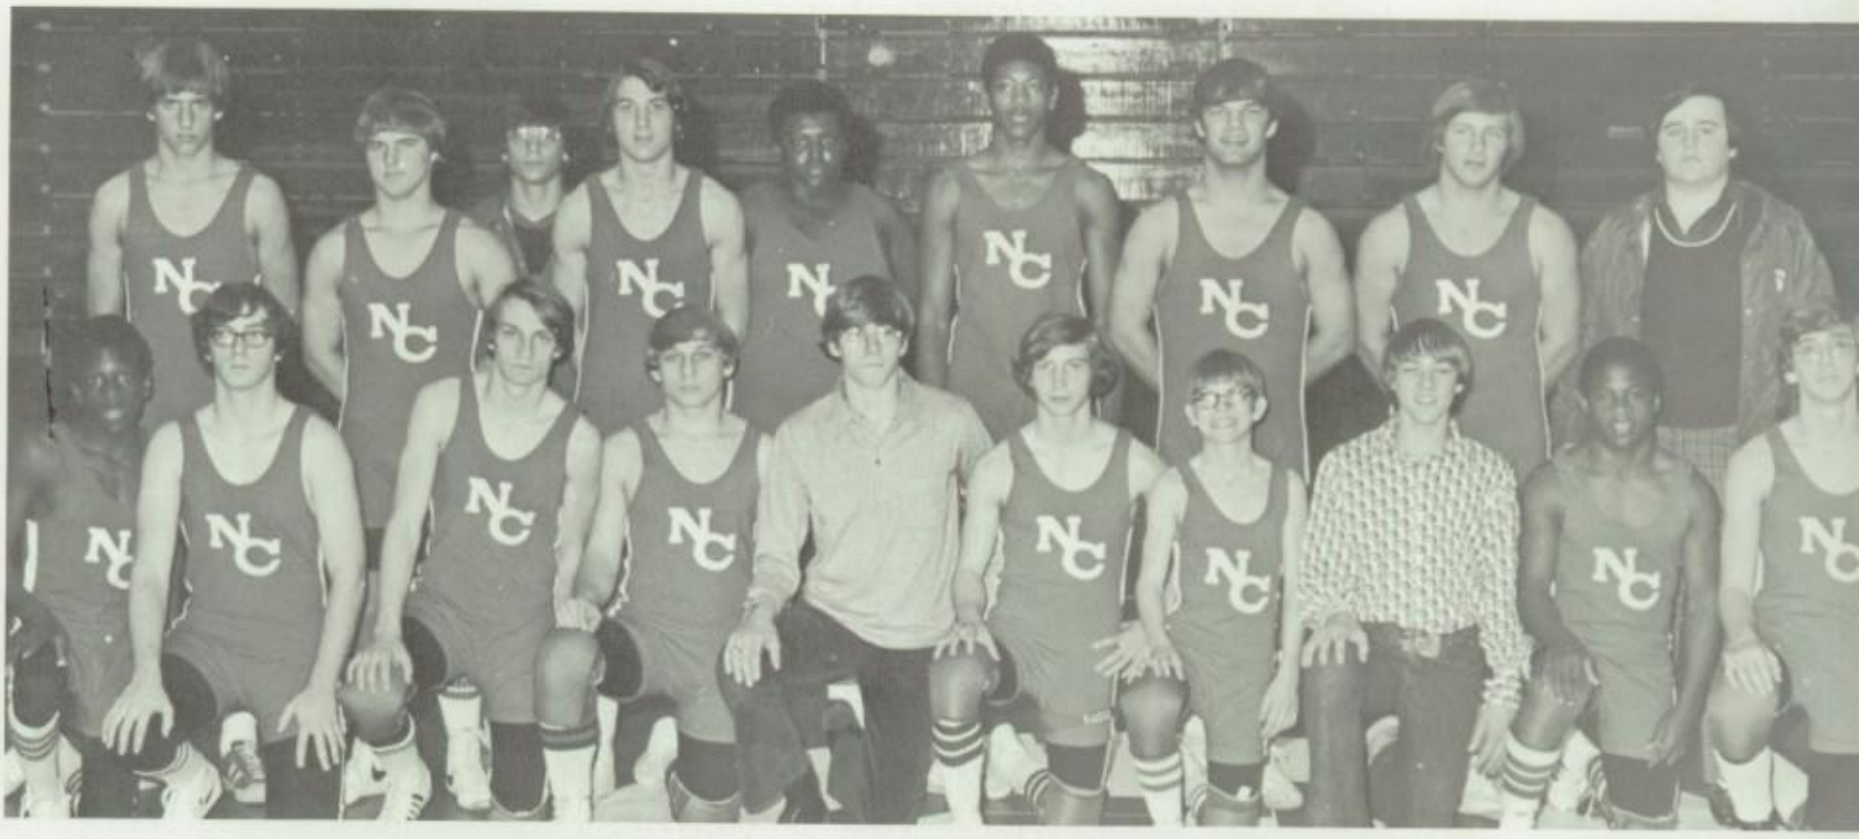
1st ROW—Linda McCorkle, Jeannie Neulicht, Miriam Sigmon, Susan Haugh, Melinda Cooke, Patti Setzer. 2nd ROW—Janis Matson, Ellen Adair, Anna Coulter, Janet McDaniel, Cathy Powell, Sheree Hickman, Laura Kearns.



Coming off a spectacular finish last year, the defending Northwestern Conference Tournament Champions retained their entire team. A year's experience on the courts made this year's Devilettes a strong contender for the championship and another tournament win. If the Devilettes keep their composure and work together, they will surely arouse much attention and excitement from the Newton-Conover fans.

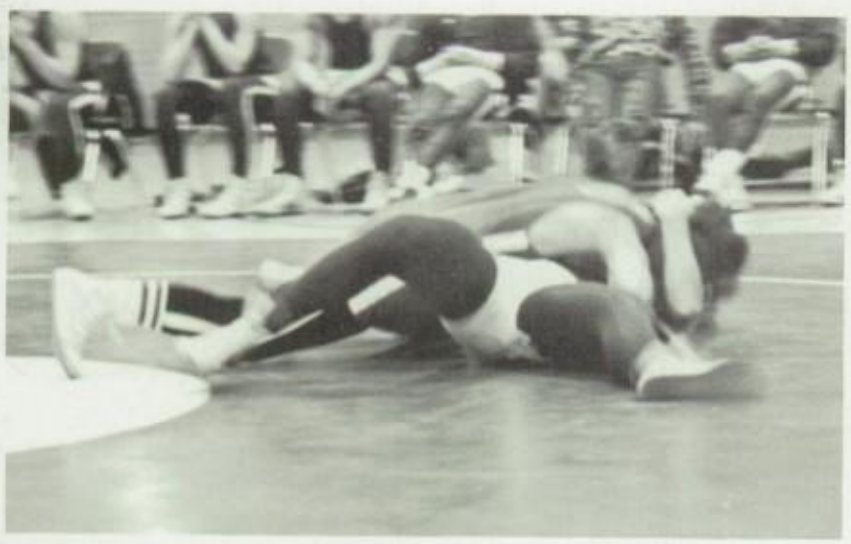
Mr. Gary Jarrett — Coach

WRESTLING



1st ROW – Alvin Stinson, Frankie Hilton, Terry Frank, Mark Ledford, Robert Spizzo, Joe Young, Mitchell Clark, Jerry Arnold, Chris Finger, Stewart Bondurant. 2nd ROW – Charles Klutz, Ronnie Sigmon, Ted Ekonomon, Tom Stedman, Michael Reinhardt, Gary Lineberger, Joe McCaslin, Tom Davis, Danny Sigmon.

The Red Devil Matmen had their problems this season. The absence of a good big man plus over half the team being sophomores led to a season of twice as many losses as wins. But the growing number of freshmen and sophomores who are interested should mean a strong wrestling team for N.C.H.S. in the near future.



Mr. Donnie Wilson – Coach

TRACK

For the third year in a row, the N.C.H.S. track team was at the top in the conference. Willie Williams was the team's most valuable player and also the second Red Devil in a row to be the M.V.P. in the Northwestern Conference. He also earned the same honor for the biconference.

Mr. Tommy Simmons — Coach

1st ROW — Charles Baker, Barron Lorritts, Ray Smith, Jeff Carter, James Long, Tom Stedman, Tim Seitz, Philip Flowers, Carl Mecimore. 2nd ROW — Robert Cardwell, Billy Price, Chris Reinhardt, Tommy Drum, Paul Poropatic, Wayne Moore, Terry Frank, Grover Coulter, Tony Parker.

TENNIS

The Athletic girls of N.C.H.S. got another chance to show their abilities through girls tennis last spring. Not being in the conference, the girls only had two practice matches but were able to attend the bi-conference matches at Shelby, where they came in second behind a sensational Shelby team. The doubles team of Terry Cooke and Mary Ann Hunsucker, along with singles Susan Haugh and Janis Matson, placed third, fourth, and fifth respectively in their categories, thus enabling them to participate at Lexington in the Association matches. This fine start by the girls should build Girls' Tennis into a respected sport at Newton-Conover.

Mrs. Susan Eckard — Coach

1st ROW — Terry Cooke, Susan Haugh, Melinda Cooke. 2nd ROW — Sherry Helms, Lesa Herman, Phyllis Carpenter, Janis Matson, Miriam Sigmon.

1st ROW – Mr. Everette Simmons – Coach, Tony Finger, Joe Furr, Allen Spizzo. 2nd ROW – Bruce Cloniger, Scott Brown, Deward Clarke, Edgar Valderama. 3rd ROW – Jay Welch, Robert Long, Clint Laffon. 4th ROW – Kim Barber, Allen Canrobert, Jimmy Wiggs, Kim Welch.

Mr. Everette Simmons – Coach

The second year of tennis at Newton-Conover proved the sport was holding the interest of its players. This year's team posted a 5-1 conference record, finishing second behind Watauga. Clint Laffon placed 4th in the biconference at Shelby which enabled him to participate in the Association Match at Lexington. The loss of the top four spots, though, should mean rebuilding for the 1974 season.

1st ROW — Kenneth Kanipe, Mike Patton, Sammy Eller, Chris Cooke, Mike Watts. 2nd ROW — David Smith, Chris Moose, Tommy Davis, Joe McCaslin, Joe Tharpe, Mike Spake. 3rd ROW — Arthur Bell, Mike Hefner, Kim Lawing, Gary Kanipe, Kris Kearns, Eddie Carmichael, Johnny Cansler.

BASEBALL

Much attention was given to baseball last spring. The team finished second in the conference with a 7-2 record, the best since 1968. The depth of Mike Hefner and Chris Cooke, who both played legion ball, and David Smith, another starter, will be missed, but the number of returning lettermen should provide for another fine season in 1974.

Mr. Gary Jarrett — Coach

Mr. Nathaniel Noell – Coach

GOLF

The N.C.H.S. golfers fared well in 1973. All of the players returned from the year before, and they ended with a 23-11 record. Dale Jarrett was the M.V.P. of the team and Andy Gaither made All Conference. Both young men also qualified to play in the Association Match in Lexington.

Andy Gaither, Mike Barbour, Dale Jarrett, Bill Gaither, Charles Corriher.

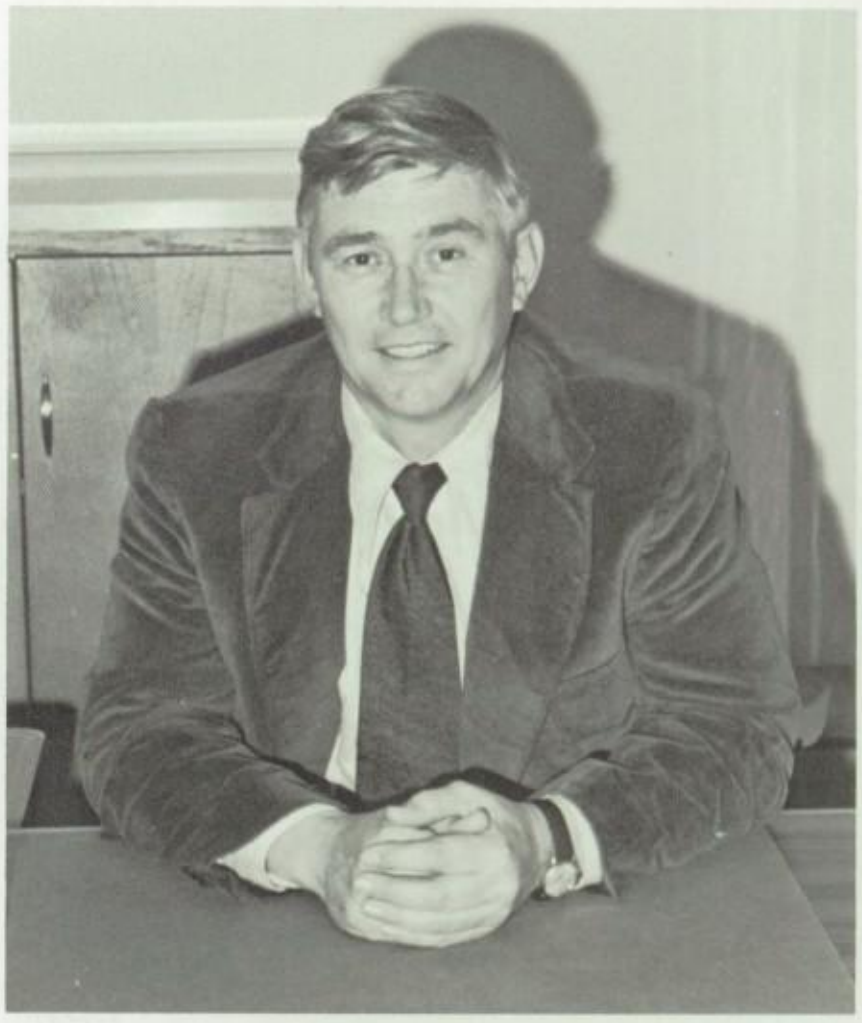
ACADEMICS

NEWTON-CONOVER SCHOOL BOARD

SITTING – Albert Gaither, Elaine Waddell, Clarence T. Fox, Jr. STANDING – William P. Zimtbaum, Donald Adams, J. R. Roberts.

Mrs. Bernard Bock, Supervisor, A.B., Lenoir Rhyne College; M.A., Appalachian State University.



N. Sherril Cranford, Superintendent, A.B.: M.A., University of North Carolina at Chapel Hill.

ADMINISTRATION

Perhaps the most significant change at N.C.H.S. this year came with the addition of seven new faces to our administrative unit. The new school board performed their duties under the direction of Mr. Cranford and, working as a team, they made important decisions involving our school system. Following Mr. Burgin's resignation at mid-year, Mr. Ingle assumed the office of principal, with the help of Mr. Simmons and Mr. Rowe as assistant principals. Performing important secretarial duties, Mrs. Buchanan and Mrs. Reinhardt were valuable assets to the administration.

Mr. Jerome Ingle, Principal, B.S. Peabody College; M.A.T., University of North Carolina.

Mr. Everette Simmons, Assistant Principal, B.S., Western Carolina University.

Mr. Bobby Rowe, Assistant Principal, B.S. Winston Salem State University

Mrs. James E. Buchanan, Secretary.

Mrs. Paul Reinhardt, Secretary.

LIBRARY

Moving into the new library was a pleasant change for everyone. The new serene atmosphere kept the minds of our students on their research, with the students who wanted to talk and play being in the student center. Mrs. Huffman rendered her services as a personal assistant in locating the many books, research materials, magazines, films, filmstrips, and recordings available. She also aided many students in using the microfilm reader-printer and the photocopy machine.

Mrs. Leona Huffman, A.B., Lenoir Rhyne College; M.S., Appalachian State University.

Mrs. Floyd Heavner
Teacher's Aide

GUIDANCE

Often unrecognized for her various services, Mrs. Simmons served as the Guidance Counselor, which involves much more than just personal counseling. Working diligently in every aspect of her job, she helped students schedule the new semester courses, and she determined class rank for juniors and seniors. Along with aiding the college bound students in selecting an institution of higher education, she assisted the career seeking students in the field of their choice.

With the addition of Mr. Perkins as Director of Student Activities, the Guidance Staff provided another outlet to serve students.

Mrs. Tommy Simmons, A.B., Lenoir Rhyne College; M.S., Appalachian State University.

Mr. Dwight Perkins, A.A., Caldwell Community College; Rec. Leadership.

FINE ARTS

Students experimented in the field of Fine Arts to further improve their special talents. These included art, photography, and the singing and playing of music. Many chose to make a career of their specialty after being exposed to it during high school.

Mrs. Martha C. Brooks
A.B., Lenoir Rhyne College.

Mr. James Stockner
B.M., Education, East Carolina University.

Miss Glinda Pate
A.A., Liberal Arts, Lenoir Community College; B.A., Atlantic Christian.

FOREIGN LANGUAGE

Many horizons were broadened through the study of foreign languages. Not only did students learn the speaking and writing aspects of the language, but they gained further insight into the daily activities and customs of the country.

One could choose from a selection of French I and II or Spanish II and III, with independent study offered for credit in French III and Spanish IV.

Mrs. Shirley B. Shaw
B.A., University of North Carolina at Greensboro — French

Mrs. Maria de Torres
Ph.D., University of Havan — Spanish

PHYSICAL EDUCATION

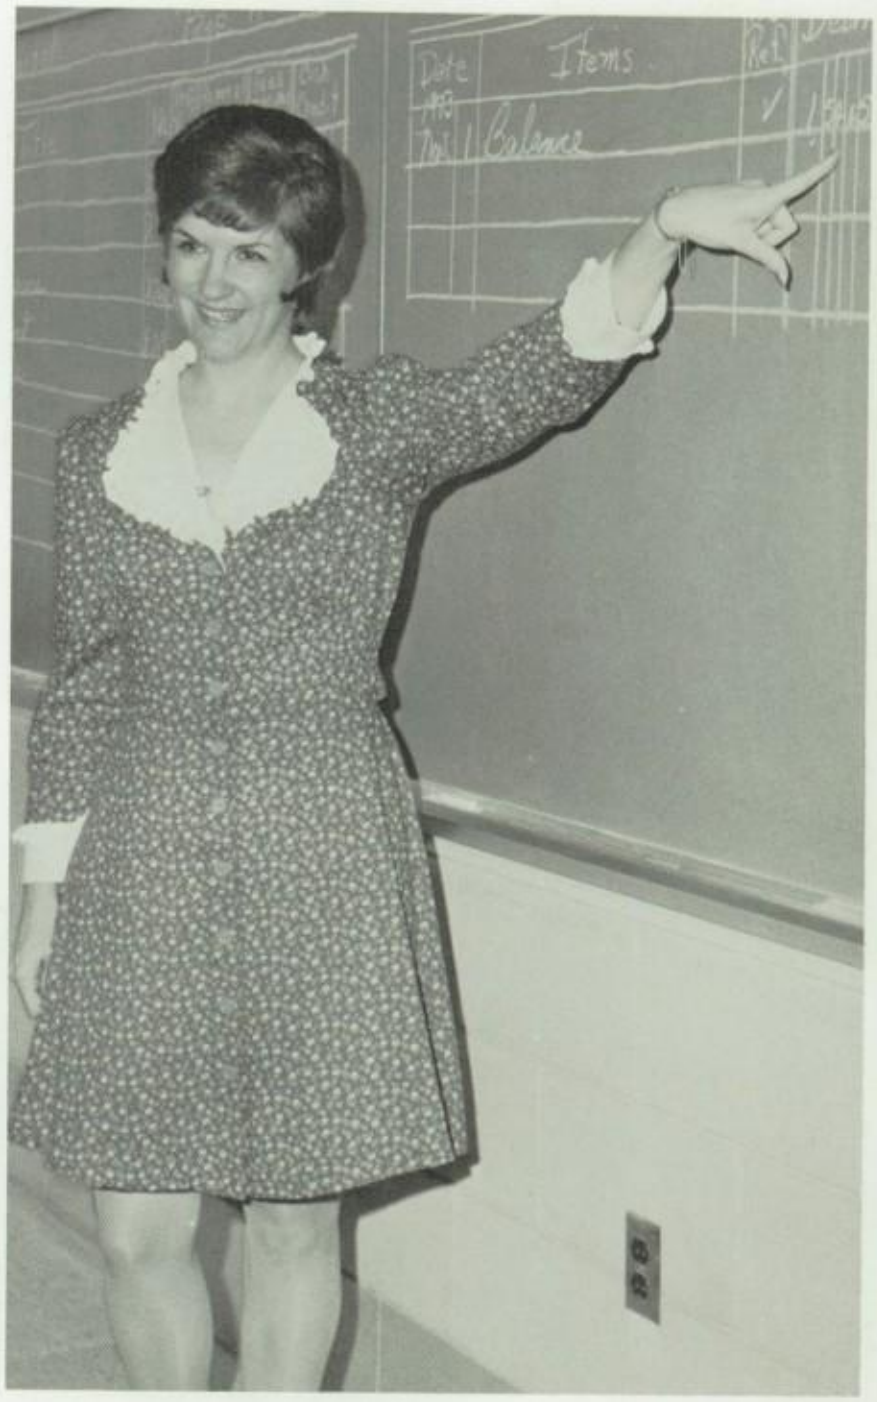
The new athletic director, John Taylor offered needed changes to our athletic department. He, along with Mrs. McCorkle, ran the regular classes and gave their own time to coach extracurricular sports.

Mr. John Z. Taylor
B.S. and M.A., Western Carolina University

Mrs. Henry McCorkle
A.B., Johnson C. Smith

BUSINESS

Business was a vital part of many students' curriculum, whether they were planning to further their education or go into secretarial work. The college bound students could vastly profit from typing and notehand, while the students interested in a business career could concentrate on Typing I and II, Bookkeeping, Business English, and Office Machines.



Miss Barbara Poovey
B.S., Appalachian State University

Mrs. Kenneth Hilderbran
B.S., Appalachian State University

Mrs. Fred Myrick
B.S., University of North Carolina at Greensboro.

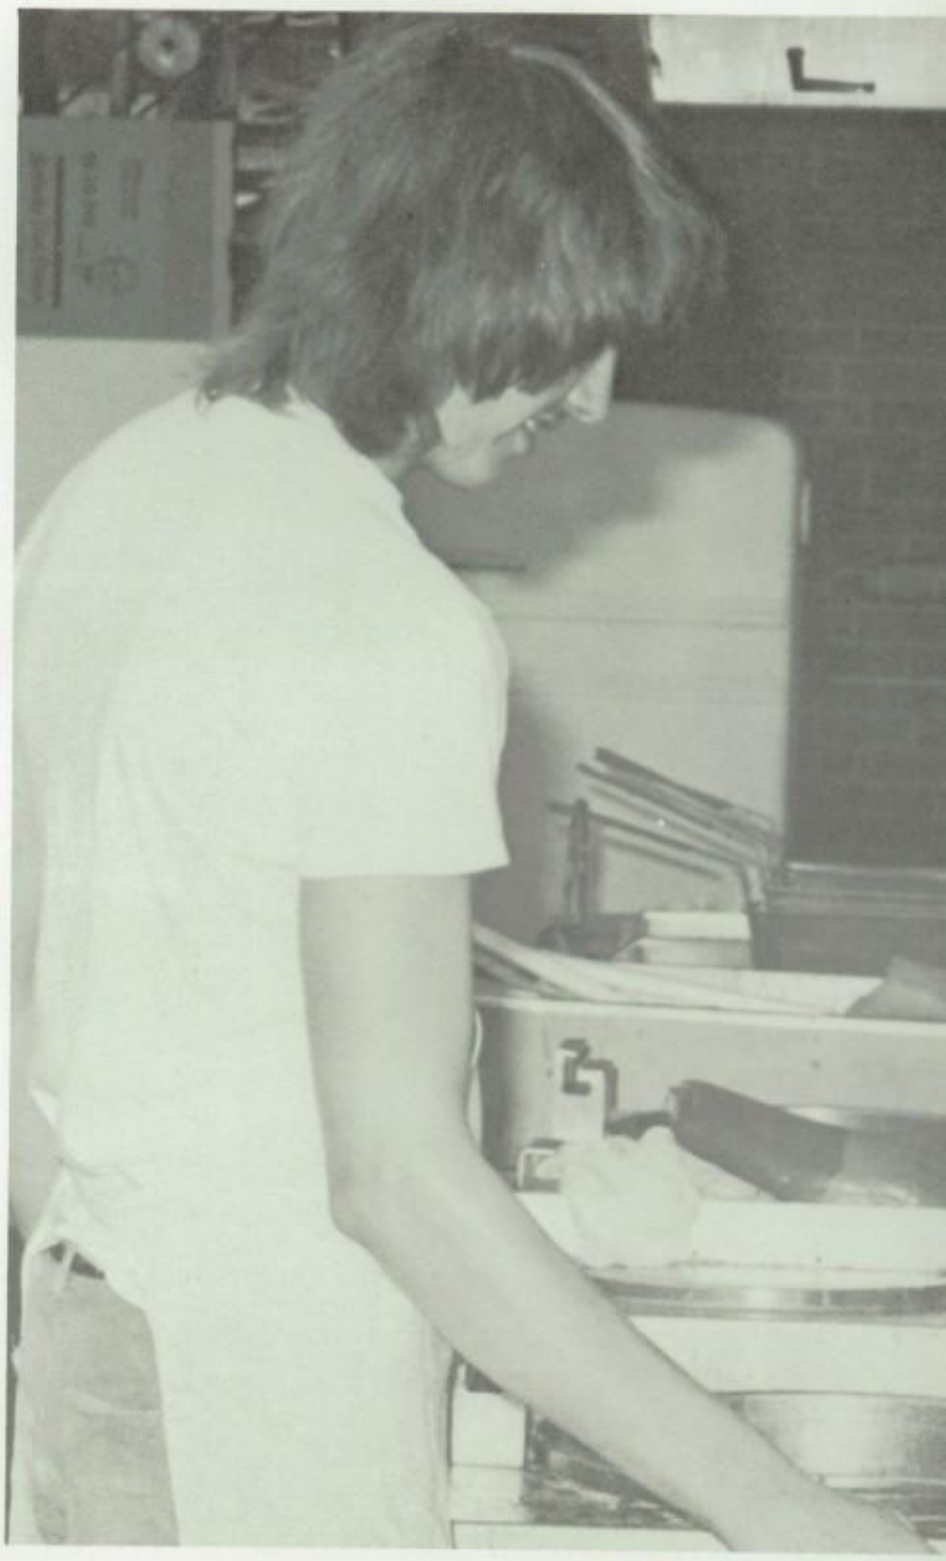
C.O.O.

Cooperative Office Occupations was a program designed for the high school senior who was interested in a career in business. It combined on-the-job training and classroom study, thus giving the student an opportunity to gain valuable work experience while still in high school.

Its purpose was to help the young worker be better suited for a job which often leads to permanent employment. After spending two hours a day in class, the students reported to their jobs, where they received a working knowledge of business which they could not acquire in school. The objective of the course was to graduate an office worker already adjusted to the business world and aware of the attitudes and personality traits necessary for success.

D.E.

Distributive Education is based on a body of knowledge unique in content, approach, and purpose. Marketing has been defined as those activities that direct the flow of goods and services, including their appropriate utilization, from the producer to the consumer. These activities include selling, and such sales-supporting functions as buying, transporting, storing, promoting, financing, marketing research, and management.



Mr. Thomas H. Weikel
A.B., Lenoir Rhyne College

I.C.T.

Industrial Cooperative Training provides on-the-job training for high school juniors and seniors in occupational areas of their choice. The program is designed for students who want to work during school and for those who want to prepare for full time employment or technical training immediately after graduation. The students earn money as well as valuable credit toward their high school diploma.

Mr. Nathaniel W. Noell
A.B., Elon College

HOME

ECONOMICS

Aimed at preparing students for both home and career life, the home economics curriculum offered a wide variety of interesting areas of study. Career orientation, child development, clothing and textiles, consumer education and management, family relationship, foods and nutrition, health and home care of the sick, and housing and home furnishings made up the basic areas covered by both boys' and girls' home economics classes this year.

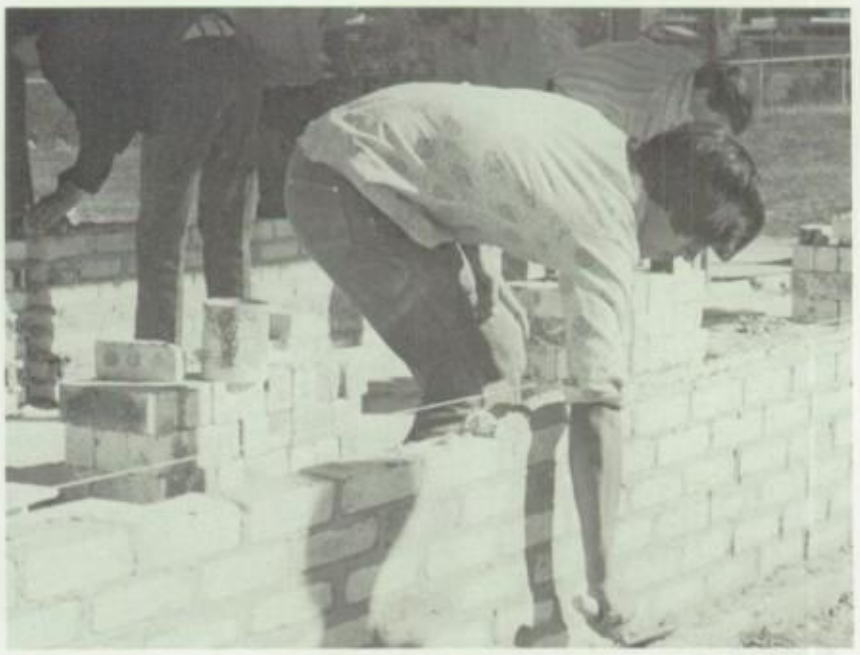
Textiles was also offered as an elective for those planning a career in that field. Mr. Don Kyles, the instructor, supplemented the regular class with various field trips.

Mr. Don Kyles, B.S., East Carolina University, M.A., Appalachian State University.

Mrs. Victor Jackson
B.S., Appalachian State University.

VOCATIONAL EDUCATION

Designed for the student who wants to work immediately after graduation, the Vocational Education Department provided bricklaying, automobile mechanics, vocational math, and carpentry. Students applied their classwork in their on-the-job-training, as they carried out a number of projects throughout the term.



Mr. Guy Miller

Good may be contrived from all deeds whether considered just or unjust. So let it be with the loss of Kenneth, a true and loyal friend to all of our school family. Though the person dwells with us no more, may our memories of him serve as a beacon to guide us to closer fellowship and as a reminder for us to devote ourselves to the cause of brotherhood. As quietly as his passing, so lives the memory of him deep within our hearts.

An ideal Kenneth held high was his devotion and loyalty to his school. We should do no less and let this ideal stand as his eternal monument.

For time is like a fashionable host
That slightly shakes his parting guest by the hand,
And with his arms outstretch'd, as he would fly,
Grasps in the comer. Welcome ever smiles,
And farewell goes out sighing.

School Rings:

for any school

Ours have the "Now" look

Your School ring *can* be unique, if it's one of ours. Take a look. The traditional ring has been up-dated with the addition of side shields that show your school colors. Then there are two revolutionary new styles—just for girls. They're *jewelry*, not miniature men's rings. Come see the "Now" styles. No obligation.

the staff

As time alters the shape of all things, so has it changed the structure of our school, and we need only look back as far as September to recognize a completed cycle in the life of NCHS. We started the year with a new principal and such innovations as activity schedules, revised English and Social Studies curriculums, and an incomplete addition to the school building. Confusion marked the first few weeks as students began adjusting to the myriad of changes. But soon the newness wore off, and the days settled into their customary sameness.

Yet with transition encountered in nearly every aspect of school life, sameness did not seem to be a plentiful commodity this year. Daylight Savings time was introduced in January in an attempt to conserve energy, and shortly after the beginning of second semester, Mr. Burgin resigned, with Mr. Ingle assuming the office of principal. With the advent of the new principal came the opening of the new building, and students and faculty alike marveled at the beautiful administration offices, media center, chorus room, cafeteria and student lounge. A long awaited dream had become a reality.

Now that spring is here, another change has taken place in the minds and attitudes of the students. Call it spring fever or simply the feeling that school is almost out, but a definite spirit of newness is sweeping through the student body.

So the year has been one of evolution for Newton-Conover, and the members of the '74 Cardinal Staff have tried to capture the changes in words and pictures to be remembered by each individual. Hopefully, the memories will reflect a year of promise, challenge, and aspiration for each person.

real cool

Ron,

Remember Birchfields Study Hall at the first of the year. Damn, we got thrown out of the library every day. I'll never forget the day you cut that fart in the library! Don't raise too much hell and any time you ready bring that Damn Opel on.

Well Hemaucher, there isn't much to remember except Bristol, and that drag race with, and me dateing Kathy, and you dateing Kathy, and just a bunch of nothing. The only real thing we did was ride around Tennessee on a bus at 1:00 at night and hollor for people to go to bed. Stay stupid and we'll raise hell together this summer.

Doug Kedrick.

It's been a heck of a year but this is our last! Next time you want me to bust your ass in my Pinto just let me know. You're a good friend. Have a good summer + good luck in future

Ronny Lambeth

What a place... I mean this school. In twenty years we will be able to say that we beat the HELL out of Don Keller... and thats all.

RE

Ha, Ham, Good luck Lee Sherrill

Ronnie,
Well, it's been quite a year. I'm glad we became freinds. It's been bad things couldn't have worked out better. Who knows, maybe they will. Sometime / you're really cute and really sweet, so stay that way. You don't need a lot of "snow" do get what you want. Be good and come and see me this summer! Best of luck always.

Love,
Terri Clark

P.S. What's so great about Road Runners?!?

to a guy that has a car that I can run on at least your getting a roadrunner and I'll have to ride a bicycle to stay up with you then Ray Reaves

Best wishes next year because you won't pass without Cont. Lit. I won't.

Big John
{Buck}

Ronnie! Wasn't expose annual I to sign your to say I but just to get your There hope you Road Runner. good luck great cars. Tracy (Kawa)

Ronnie,

You're a really nice guy whom I consider a friend and treasure very much. You've finally at the end of school. Congratulation. I wish you success in your future. Remember me. I couldn't ever forget someone like you. Try your best to be good.

your friend,
Melinda Kessler

P.S.S. Good luck with your Road Runner.

Ronnie,

Well, the time's almost here, and we're really gonna graduate. It seems like I've only lived here a short time, but I've hated every minute of it! Naw, not every minute. Some of the times have been good. This past summer was pretty good. It's a shame things didn't work out right. But, Tamara jumped up in my place and it seemed that you weren't too heartbroken. Maybe you'll help me understand about Road-runners sometime. I'm not gonna say, "don't forget me,)" 'Cos I'm gonna be at CUII with you next year.  I know you're thrilled! Right? Well, what else can I say? I love you! Sure! Well, I hope I see you lot's this summer! (I hope so) Take care of yourself Ronnie. You're sweet and cute, and I really like you alot. I hope you know that! Maybe, someday... Well, I wish you the best of luck, always!

Love Terri

Hi Hambone!

Can you believe it; we have finally brought our career in high school to a close! I can hardly wait to get that diploma in my hands! I'll be long gone! I doubt if I'll make it to school next year; I think I'm going to get married & go to work. But whatever I do, I hope that we can stay friends. It's been great knowing you for these past 2 or 3 years. You're a great guy & should go far in life. Take care & God Bless.

Love always!

Laurie Ellen
